The 'Lockcard' is a smart card that allows access to services along the river and through the locks. It contains 10 units, with each service requiring one unit. It costs €13 or is included in the all-inclusive package. Although not compulsory, it's essential for using the service blocks, as no other method of payment is accepted, and is also required to pass through the automated locks on the Shannon & Erne rivers.

Rental period from 14th of March till 31st of October 2026
