### Navigation information

=> A terminal, provided by the Brittany Region, is installed at reception to enable you to obtain, top up or check the balance of the cards required to pay for water and electricity.

#### Important information:

- This terminal issues cards that can **only be used in the Brittany Region** (on the Vilaine and the Nantes-Brest canal in the northern part). The southern part, located in Loire-Atlantique, is not covered.
- One **card per boat** is issued with the name of the boat written on it.
- Any credit not used by the previous customer is transferred to the next customer.
- Several terminals are available along the route.

In order to inform our customers sailing in Brittany in advance, the following measures will be put in place:

1. A card will be given to them with the boat, to be recharged as needed.
2. A briefing will be given during the introductory session.
3. Current rates:
  - \* Water: **€9/m³**
  - \* Electricity: **€0.84/kWh**
4. A **deposit of €15** (separate from the boat and cleaning deposit) will be required, payable by cheque or credit card.
5. An explanatory leaflet will be included in each logbook.
